

# Scholarship

*for a study period in Kiel 2019/20*

Within the scope of the city partnership, Kiel University of Applied Sciences will award a scholarship to students from our partner universities to study in Kiel during the winter term 2019/20 and/or summer term 2019.

The scholarship is available to 2nd or 3rd year business, engineering or social work/ therapy students or to Masters students. Some courses are offered also in English. The Land Capital Kiel hopes to be able to provide the scholars with guidance during their stay in Kiel and to involve them in the cultural and socio-political life.

Language requirements: English (B 2); German (B 2).

Students should be willing to take part in a German language course during their stay.
