

Report of participation in DAAAM "International DAAAM symposium on Intelligent Manufacturing & Automation".

During last 25 years more than 15000 people from more than 50 countries were involved in DAAAM activities as authors, organizers, reviewers, supporters, sponsors, partners, promoters, and advisers, members of different committees, networks and working groups. Due to the EITSA support I was able to present our research group paper at International DAAAM symposium on Intelligent Manufacturing & Automation". In addition I was acting as chair in the following sections: Design/Technical Solutions, Simulation, Information Technologies. It was a great possibility to introduce our research interest to other research groups. The following organization were interested in results of our research: KIAM Russian Academy of Sciences <http://www.sensorika.info/sensorika.info/sensorika.html> , FESM <http://intranet.fesb.hr/Default.aspx?alias=intranet.fesb.hr/english>, National Research University <http://www.hse.ru/en/>, University Politehnica of Bucharest <http://ltpc.pub.ro/> .

Our research paper "International DAAAM symposium on Intelligent Manufacturing & Automation" Best Poster Award. Shevtshenko E., Polyanchikov I., Mahmood K., Kangilaski T., Nortia A. "Collaborative Project Management Framework for Partner Network Initiation" has received the Best Poster Presented Award and will be published in Procedia Engineering www.elsevier.com/locate/procedia.

15.12.14

Eduard Ševtšenko

In addition Eduard Shevtshenko was also awarded Network Honor Medal of DAAAM International and membership of DAAAM International Club of Scientists.

Eduard Shevtshenko
