

Olaf Maennel
19.7.-24.7.2014 Palo Alto, USA

Palo Alto meeting in June was for the ACM SIGCOMM Internet Measurement Conference (IMC). I was on the technical program committee (TPC) and this group is responsible to assemble the program for the conference. The final stage included an in-person TPC meeting.

More information about the conference: <http://www.sigcomm.org/events/imc-conference>
