

Infokiri nr 3

### **Traditional Krisostomus spring special offer until May 10 – books with up to 25% discount**

Well-known leading international publishers are represented: Elsevier, Springer, John Wiley & Sons, etc. You can find the selection of books [on Krisostomus campaign page](#). As usual, it is possible to order the books you are interested in to TTÜ Library if you want to take a look before purchasing.

Select the books you would like to see and they will be brought to our Information Services Division (LIB-221).

In search results will be shown first the books from this special offer. Make sure to click “**Recommend this list to TTÜ Library**”. [Instructions](#).

We will let you know when the books have arrived.

### **Invitation to training session**
